

Be Bold

PLEDGE

I commit to being bold.
I will actively participate
in the Rosemont community
to meet the wants of this age.
When I set foot on Rosemont's campus,
I pledge to be part of this community
by being informed,
by being involved,
and by being a positive influence
during this important time of building
Rosemont's future.

Action Steps:

Be Informed:

- Read the strategic plan
- Read the weekly RoConnections Newsletter to learn more about important campus news, events, and spotlight stories about members of our community.
- Follow Rosemont's social media channels for more news and stories

Be Involved:

- Volunteer for campus events like the Finals Breakfast, Founders' Week events, Commencement, and Reunion
- Attend student events like athletic games
- Join colleagues for lunch in the dining hall

Be a Positive Influence:

- Attend President Cawley's Open Office Hours to bring forth new, positive ideas
- Attend Fun Committee events
- Recognize colleagues' achievements by submitting shout-outs, nominations for employee of the month, etc.
- Smile at students when you walk by them, ask their names, and get to know them
